Onderwerp: Antw.: [REDACTED] Dutch TV questions Bayrock/Schwartz [REDACTED]

Sander,

Please note our statement below.

“Bayrock B.V. and KazBay B.V. were entities formed with the advice of outside legal counsel as part of the structuring of an investment by Bayrock. The investment was not successful, and the structure subsequently was abandoned. We have vociferously denied the baseless allegations made in the Kriss lawsuit. We will not comment on matters that are subject to ongoing litigation.”

Regards,

[REDACTED]
